BIODIV NEWS

Vol.: 12, Issue: 49, October – December 2021, A Quarterly e-Newsletter

Editorial

Esteemed Readers,

This quarter saw the celebration of the Wildlife Week. Wildlife Week is celebrated with great enthusiasm every year in the first week of October. The annual theme of the campaign is to promote the preservation of fauna – i.e. animal life. Wildlife refers to all the undomesticated plants, animals and other living organisms.

The aim of celebrating wildlife week is not only to educate and aware the young generation but also to help in the conservation efforts with the Government.

The U.P. State Biodiversity Board, Lucknow celebrated Wildlife Week from 1st to 7th October, 2021 in collaboration with, Zoology Department, Lucknow University, Lucknow.

Hopefully, events like these, will work to ensure that the upcoming generation can seize the opportunity that we have so far failed to grasp, to close this destructive chapter in our history, and build a future where people can live and prosper in harmony with nature.

We hope that you will find this Newsletter both interesting and informative.

Wildlife Week (1st -7th October 2021)

Wildlife Week (1st -7th October 2021)

Wildlife Week is celebrated all over the country in the month of October's first week every year with the view to preserve the fauna means the animal life of the India.

It was first started in the year 1952 with the great vision of saving the life of the Indian animals by taking some critical steps. It involves the planning to save animal extinction of any species of the India. The Indian Government has established an Indian Board of Wild Life which works to improve the awareness as well as the consciousness of the Indian people towards the wildlife preservation. The theme of this year was “**Sustaining all life on Earth**”.

Due to pandemic COVID-19, this year, the Uttar Pradesh State Biodiversity Board in collaboration with Biodiversity and Wildlife Conservation Lab, Department of Zoology, University of Lucknow and Institute for Wildlife Sciences organized online Webinar series during 01-07 October, 2021.

On the occasion of Wildlife Week 07 days online workshop was organized from 1st to 7th October 2021 on Zoom Platform for the awareness and conservation of biodiversity by the Uttar Pradesh Biodiversity Board in collaboration with ENVIS-RP, IWS, University of Lucknow. The theme of the workshop was Wildlife Conservation. Competitions like Poem, Poster, Collage, and PowerPoint Presentation were also organized.

About 250 participants attended this online workshop. Participation certificates were provided to all the participants and winners of the competitions.
